Staunton Union Stockyard // Staunton, VA**

Selling

- 150+ Spring Calving Commercial Angus Cows**
- 75+ Spring Calving Commercial Angus Heifers**
- 150 12-14 month old Commercial Angus Replacement Heifers
(ready to breed, Brucellosis vaccinated, BVD tested)**

**** All bred females serviced by purebred Angus bulls. ****

We are currently calving the prior generation siblings to the fall heifers and they are the best set of first calf heifers we have ever raised and calved. We are selling the cows to create space for all of the replacement heifers in which we have retained over the last two years.
